

THE ADVENTURES OF ECHO IN THE ARCTIC

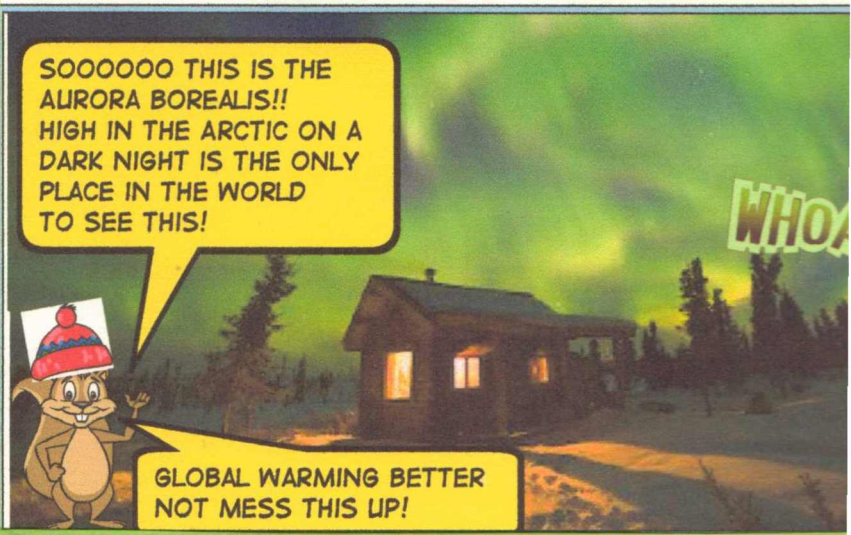

A MELTING GLACIER BROKE OFF
AND SUNK MY SHIP!
DARN THAT GLOBAL WARMING!!

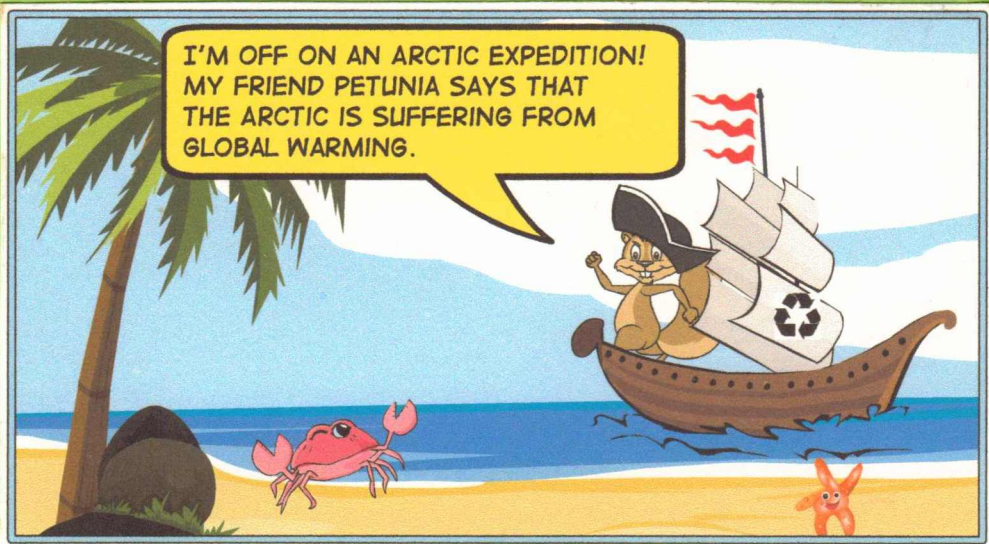

SOOOOOO THIS IS THE
AURORA BOREALIS!!
HIGH IN THE ARCTIC ON A
DARK NIGHT IS THE ONLY
PLACE IN THE WORLD
TO SEE THIS!

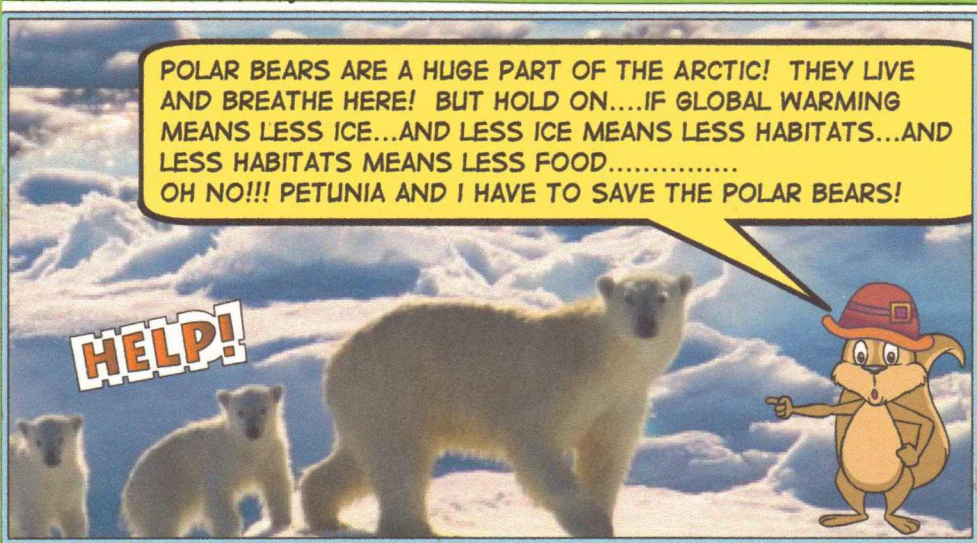

GLOBAL WARMING BETTER
NOT MESS THIS UP!

I'M OFF ON AN ARCTIC EXPEDITION!
MY FRIEND PETUNIA SAYS THAT
THE ARCTIC IS SUFFERING FROM
GLOBAL WARMING.

POLAR BEARS ARE A HUGE PART OF THE ARCTIC! THEY LIVE
AND BREATHE HERE! BUT HOLD ON....IF GLOBAL WARMING
MEANS LESS ICE...AND LESS ICE MEANS LESS HABITATS...AND
LESS HABITATS MEANS LESS FOOD.....
OH NO!!! PETUNIA AND I HAVE TO SAVE THE POLAR BEARS!

HELP!

HEY PETUNIA! I'M COMING HOME!
YOU AND I HAVE ALOT OF
WORK TO DO!! WE HAVE TO
STOP GLOBAL WARMING!

Yippee
